

Saltdogs Watchdog Program

Before each and every Saltdogs Home Game players from youth baseball or softball teams will have the opportunity to be introduced with a Saltdogs Player as they take the field, receive a baseball to get autographed from that Saltdogs Player and stand with them during the National Anthem!

How It Works

- Select the date of your choice (based on availability)
- Contact the Saltdogs with your choice of date and deposit (non-refundable \$25.00)
- When date is confirmed and deposit is paid you will receive a team listing and ticket order form.
- The team listing and ticket order form must be turned back in one week prior to your scheduled date.

Advantages

- Deeply Discounted Tickets for the Watchdog Program.
- Group Recognition over PA and Message Board.
- Group Seating in Reserved Seats
- Opportunity for your team to run on to the field with the Saltdogs!

A minimum of 20 tickets must be purchased to participate in the Watchdog Program. The \$25 deposit does go toward the 20 tickets purchased. Tickets are only \$5.00 a person in Reserved Seating!

Each Saltdogs Home Game there will be a Maximum of Two Youth Teams that can participate.
